Many of you will remember the days of The LINC – a quarterly newsletter for Ford of Canada's central staff, created to keep people in the loop about what’s happening in and around Ford.

With The LINC 2.0, our goal is to continue this great tradition.

So, to make sure that future issues include what you would like to read about, I encourage you to contact me anytime with your suggestions.

We welcome information and photos about company events, team volunteer activities, new employees, employee moves, baby/wedding announcements, etc.

I hope that you enjoy this debut of The LINC 2.0. Let’s keep in touch,
