

Dear Brothers and Sisters;

In 2009 Bramalea was devastated by a workplace tragedy. Our own member Shara Flanigan lost her life to a workplace injury.

I'm participating in Steps for Life and I hope you will join me! —a 5km walk to raise money for Threads of Life—and I started a team so others can participate and fundraise with me. Will you join me and be part of the team?

Please click the link at the bottom of this email to join my team today. If you can't join my team, please consider making a donation so together we can support Threads of Life.

We're making a difference for families who've been dealt a devastating blow: a life-altering workplace injury, illness, or death. All funds raised through this event go to providing family support services for families who have experienced a workplace tragedy.

Please don't hesitate to contact me with any questions. I look forward to walking together to raise awareness about workplace health and safety and to raise much-needed funds to support families affected by a workplace tragedy.

Thank you in advance for joining me in my support of [Threads of Life](#).
